Gas Leak Stopped in Beverly Hills; Employees allowed to Return to Offices

Beverly Hills, CA – The Gas Company has fixed a gas main that ruptured Wednesday at approximately 3 p.m. during construction of a warehouse at 9357 Third Street in Beverly Hills. The broken line caused the evacuation of buildings between Third Street, North Foothill Road and Civic Center Drive, including the City of Beverly Hills Public Works building, UTA Talent Agency, Live Nation and others. Evacuees are being allowed back into their buildings.

No injuries were reported.
